*Intermezzo is a specialty coffee shop and craft cocktail bar. We aim to provide a warm and friendly space for friends to gather over coffee, a bottle of wine, or cocktails.*

*Our inspiration draws from the many European and American cafés in the 1950's and 1960's which served as meeting places for artists, writers, directors, actors, and other creatives to gather over drinks.*

*Focusing on balance in flavors, we aim to create beverages that are both rooted in tradition and those that have modern, creative variation.*
